

Are you ready to move your private company to the next growth level?

Private companies looking for capital need to have the plans in place to show they are worthy of the pending investment by third parties. Strong controls over financial, operating and compliance objectives will show your investors, creditors or buyers, that you are prepared to provide them with a solid rate of return.

Private Company Governance solutions include:

- 🔗 Ethics and Corporate Compliance Programs
- 🔗 Funding Source Compliance
- 🔗 Internal Audit Outsourcing
- 🔗 Internal Control Development (similar to Sarbanes Oxley, but without the excess costs)
- 🔗 IT Governance Framework
- 🔗 Control Assessments over IT and Financial Reporting
- 🔗 Board, Management and Staff Education on any of the above topics

Candela Solutions LLC is a public accounting firm helping companies throughout the United States reach compliance, financial reporting and operational objectives through:

- 🔗 SEC, SOX & Compliance Programs
- 🔗 Boardroom Leadership
- 🔗 Corporate Responsibility

We work with private companies on an IPO or public debt path to better understand and prepare for SEC rules and regulations subject to publicly traded companies. Private companies can also attract more favorable financing terms by strengthening internal controls and leveraging governance best practices with our assistance.
